

BUILD THEM UP!

MAKING A DIFFERENCE

An old man walked the shore littered with thousands of starfish, beached and dying after a storm.

A young man was picking them up and flinging them back into the ocean.

"Why do you bother?" the old man scoffed.

"You're not saving enough to make a difference."

The young man picked up another starfish and sent it spinning back to the water.

"Made a difference to that one," he said.
